26 February 2025

Abstract deadline:
31 May 2025

Meeting President: Prof Thierry Huisman. Texas Children's Hospital, USA

You are invited to the 24th International Cancer Imaging Society Meeting, set to take place in the vibrant city of The Hague in September 2025. The Hague is the historic site of the Dutch Government, home to the Dutch King, City of peace and justice with a rich variety of museums, and so much more. Don't miss out on this unique opportunity to visit the 'green city by the sea'.

www.icimagingociety.org.uk

The ICIS 2025 programme will include:

- Keynote lectures
- Plenary and breakout sessions
- Hands-on workshops
- Scientific paper sessions and poster exhibition

A wide range of topics will be covered:
